The Grand Opening for **The Midweek Farmer's Market at Anna Ranch** is slated to be a lively celebration to kick off Waimea's newest farmers market with an afternoon of family fun with live entertainment, door prizes, and other activities. **The Midweek Farmer's Market at Anna Ranch** will provide a new venue that will allow busy shoppers access to fresh, locally grown, healthy food during a weekday afternoon. Community members will be able to buy local produce, flowers, crafts, prepared foods, including juices, sauces, salsas and honeys. The local produce selection

at the Farmers' Market will include a early season harvest of Waimea crops, including tomatoes, strawberries, salad greens, cabbage, rambutans, chiles, eggplants, basil, limes, and much more.
