

Kona Historical Society's

PALAKA PARTY 2011

JULY 30TH, 5PM-9PM, KEALAKEKUA

We are just a few weeks away from our favorite night of the year - the Palaka Party!

This year's event will definitely be a night to remember. KHS' gala is a time when we come together to honor the individuals who have helped us in our effort to preserve and share Kona's history and celebrate the milestones we have reached through the generosity of caring organizations and individuals. This year the honorees will be Edwin Kaneko and Tomoe Nimori. We will also be acknowledging the Atherton Family Foundation and the Cooke Foundation for their continued support. There will be something for everyone, whether it's the scrumptious food and fun entertainment or the exciting silent and live auctions. Check out some of our featured items:

*Be sure to preview all the items by clicking on the "Event Calendar" tab on our website:
www.konahistorical.org*
