

Mahalo for all your kindness
and aloha! Be blessed in the
truest prosperity of His Grace.

From all of us who serve you

Mahalo to those who so richly blessed us with
your Holiday gift. We are grateful that
we work in such a great community.
There is a true Aloha practiced and
your generous giving is certainly
a part of that. You have generously
scattered your finances amongst us
and you will be made richer in your
lives for that. "The generous soul will be
made rich, and he who waters will also be
watered." Flourish and grow in the knowledge
of His Truth. Much Aloha Toia + Maurere H.
